28-DAY INTERCHANGE

(Ages 12-13)

Date TBD (July 2019) Sweden

CISVinterchange

Sweden

An interchange program for ages 12-13
(3 boys + 3 girls + adult leader) lasting 28 days

Interchange encourages a deeper encounter between two cultures by placing young people within families. Group activities such as a mini-camp are vital in complementing the in-depth family experience. Interchange takes place in two phases with one delegation visiting another country and then reciprocating by hosting the delegation from the country they visit. Not only is this a profound intercultural experience for the youth participant, but it also engages the whole family, and potentially the community in which they live, in the CISV experience.
