CISV Northeast Ohio Announces 2019 Programs

CISV provides a wide range of unique camp-based and family-centered activities, which develop cross-cultural understanding in youth from around the world. By encouraging respect for cultural differences and the development of self-awareness, CISV empowers each participant to incorporate these values into their lives as they become active global citizens and strive for a more peaceful world.

Youth who are ages 11 to 18 during the program period and adults 21 and over interested in a leader position (leaders travel for free) will find additional information at
